

# 2021 Apalachee High School Football Sponsorship Levels

The Apalachee High School Touchdown Club would like to thank you for becoming a 2021 sponsor. The Touchdown Club provides the financial support for Apalachee High School's JV and Varsity Football program, with over 120 players. With your continuous support, funds received from our sponsors will provide meals, offset costs for equipment and supplies, and help with advanced training for our coaches. Much of our programs success is credited to the involvement of our local businesses that have supported the Apalachee Football program annually. We appreciate your generosity and continued support of our football athletes.
